

BATHROOM IN A BOX

LUXURY MODULAR BATHROOMS

Designed as the perfect solution to your intricate bathroom, these modular ensuite kits arrive as a flat pack and ready to assemble and install. With an easy step by step assembly process these units are perfect for those difficult to access installations or where freight space is critical. These ensuites are ideal as an upstairs bedroom ensuite, in a basement room, or in many commercial situations. Each unit comes complete with floor, walls and ceiling. No painting, tiling or internal lining of any kind is required. Each unit is finished in a smooth, gloss white, gel-coat which is highly durable and easy to clean.

Easy step by step assembly

(measurements shown above are approximate internal sizes)
